Responsible for the resolution and investigation of complaints of sexual misconduct against enrolled students, faculty and staff.

---

There are additional resources both on and off campus. For more information visit the Penn Violence Prevention website.

*Students are encouraged to inquire about confidentiality when seeking assistance and support from the varying offices. Under the Clery Act, federal law mandates the disclosure of certain statistics regarding sexual violence that occurs within the geographic boundaries of an institution of higher education. Clery Act reports do not include the names of anyone involved or any other information that identifies an individual.*
